About Me

As a committed student of computer engineering, I'm excited to investigate opportunities for growth and learning through an in-plant training position. Having a basic foundation in diverse technological abilities acquired via academic studies, my goal is to develop my abilities in a humble manner and silently contribute to a team. I take a humble approach to problems because I value the chance to grow and have a positive influence on a business.

Education

CITE Technical Institute, Inc. (San Jose, Cebu City)

Diploma in Computer Engineering Technology
August 2022 - Present

Mandaue City School For The Arts (Casili, Mandaue City)

SHS Graduate, Arts and Design Track
July, 2021

Core Competencies

With my proficiency in Adobe Photoshop, Illustrator, and other editing app, I can create graphics with ease.

I use Adobe Flash to further showcase my animation skills.

Proficiency with Microsoft Word, Excel, and PowerPoint.

Set up and operate local and wide-area networks, as well as install hardware and software.

I contribute a skill set for creating designs in graphical user interface that are both user-friendly and efficient, in addition to my proficiency in creating websites and applications.

Quick learner with the ability to adjust to changing environments and technologies.
